MY CODE WORD IS:

What is a Code Word?
A “CODE WORD” can be used as a signal to a trusted adult you need help.

For example, if your favorite sport is basketball, maybe your code word is “SOCCER”. When you feel unsafe, you can call your trusted adult and tell them: “I can’t wait to watch the soccer game!”. That will let them know you’re in trouble and they need to send you help right away!
