Does Your Boyfriend/Girlfriend...

Put you down or call you names?
Follow you or monitor where you are going and who you are with?
Try to keep you from spending time with family and/or friends?
Treat you worse in private than they do in public?
Want to change who you are?
Make you feel scared to voice your opinion?
Threaten to harm you or the people you care about?
Act really jealous or accuse you of cheating?
Blame you for all of the problems in the relationship?
Avoid taking personal responsibility?
Threaten to commit suicide if you leave?
Make you feel worse about yourself?
Want to only be with you all the time?
